1. Data is based on announced or engineering development simulation values, which may be affected by weather, road condition, battery SOC, load, tire and other test factors, and is used for reference only.

2. Charging plug can be purchased at the AVATR App Vehicle Accessory Shop.

3. The rear privacy glass is referred to the rear windshield privacy glass and is included in the Luxury four-seat VIP package.

4. Auto charging port will be available for AVATR exclusive charging pile.

5. Now this is only available for specific models of HUAWEI smartphones, with wireless charging power up to 50W.

6. NFC car-sharing key function should be used together with HUAWEI smartphones having NFC function.

7. Intelligent driving assistance system cannot cope with all traffic, weather and road conditions, nor replace the driver to control the vehicle. The driver must always pay attention to the current traffic conditions, and actively intervene in due course. Please carefully read all sections about this function in the Owner's Manual to understand the restrictions on the use of this function. The driver should be aware of these restrictions before using this function. In complex and variable traffic conditions, on city roads, highways, mountain roads or at highway entrance or exit, please use this function with caution.

8. Intelligent driving navigation assistance (INDA) should be used provided that the national laws and regulations allow and the high-precision map is open; this function cannot cover all cities when it is pushed.

9. The advanced ADAS features need to be purchased separately.
